5th December 2016

Dear Parent/Carer

Winter Weather Advice

Every winter brings the possibility of snow and ice. Extreme bad weather can cause widespread and prolonged disruption. Schools are often affected and it can be challenging to maintain an education service.

As a fundamental principle, every effort will be made to keep our school open. Bullers Wood School is preparing for severe snow/ice this winter by gritting pathways and carrying out remedial repairs around the site.

What can you do to help in wintry conditions?
Students should be sent to school in suitable warm clothing – gloves, hats, scarves (please refer to the Uniform Code). In addition, students may need to wear boots to/from school, but should bring in their school shoes to change into on arrival.

If driving, please do not drop off or pick up by the school gates or entrances. Please be mindful of where you are parking.

How will we let you know if the school is closed?
If we are forced to close the school during the course of the school day due to "unavoidable" circumstances, i.e. we consider that it is hazardous and/or dangerous for staff or students to be onsite and/or to travel safely to and from school, the Headteacher, Mr Greene will take the decision to close the school. This message will be uploaded to the school's website and a message will be sent home to parents/carers before the students are dismissed. Students will be permitted to contact their parents using their mobile phones or the school phone at Reception.

If Mr Greene decides that the school will not open for staff or students, a message will be uploaded to the school's website by 6.45am.

Yours sincerely

Mrs D Carter
Director of Safeguarding & Child Protection
