Dear Applicant

Thank you for expressing an interest in the post of 6th Form Study Supervisor at Bullers Wood School. The information in this pack will, we hope, give you a good flavour of the school, as well as the application procedure and I hope having read it, you will decide to apply.

This post is available now and offers an exciting opportunity to join an enthusiastic staff and very supportive department whose members are committed to making a real difference. The school was last fully inspected by Ofsted in May 2011 and we were awarded Outstanding. The report is available on our website. We are very proud of our achievements and for the last 4 years we have been congratulated by the Minister of State for Schools on our achievements at GCSE level placing us in the top 100 non-selective state-funded schools in England. In addition, we were in the top 100 for pupils achieving the English Baccalaureate. We have also regularly been in the top 10% nationally (out of over 2,500 schools and colleges) for our A level performance assessed by ALPS.

We are looking for an enthusiastic individual to help us to ensure that in every way Bullers Wood remains an outstanding school at our next Ofsted inspection, and that every one of our students achieves and exceeds both their targets and expectations.

The successful candidate will join Bullers Wood at an exciting time as September 2018 sees the opening of a new secondary free school, Bullers Wood School for Boys. This coincides with the establishment of the Bullers Wood Multi Academy Trust leading to opportunities for enhanced professional and career development for colleagues working within the Trust. The successful candidate may be required to work at either school.

When completing the application form, please follow the instructions below and demonstrate clearly how you meet the person specification and job description.

If you have any questions, please do not hesitate to telephone or email us.

We very much hope to receive your application.

Yours sincerely

AN INTRODUCTION TO BULLERS WOOD

Context

Bullers Wood is a highly successful comprehensive 11 – 19 girls' school with boys admitted to the sixth form. We are significantly oversubscribed, with admissions from over 50 primaries, and enjoy an excellent reputation in the community.

Mission and Ethos

Our purpose is to develop well qualified, confident and appreciative individuals who show tolerance and co-operation and are ready to play positive roles in the international community.

Students

The number on roll is 1617, including 492 students in the mixed sixth form. We serve a generally affluent community and parents have a choice of Bullers Wood as a comprehensive school for girls or selective education within Bromley and other LAs (Bexley, Kent). The proportion of girls eligible for free school meals is below the national average. About a fifth of the total roll is from an ethnic minority background and some 15 languages are spoken. Very few students are learning English as an additional language. The behaviour of students is excellent, with the vast majority keen to learn and succeed.

In 2018, 82% of students achieved 5+ GCSE's at A* - C (9-4) including English and Maths, and just under 50% of A level results were graded A* - B.

School Organisation

The staff at Bullers Wood are friendly, hardworking and conscientious. We actively promote continuing professional development for all staff, in line with the needs of the individual and those of the School. We offer a full and comprehensive induction and ongoing support programme for all new staff. NQTs are allocated a dedicated mentor to support them through their NQT year.

The School is a founder member of the highly regarded Bromley Schools Centred Initial Teacher Training Collegiate which enables our staff to share their expertise and good practice with others. We also train teachers through the Graduate Teacher Programme.

Our Accommodation and Facilities

Twenty two acres of woodland and landscaped grounds surround Bullers Wood House, a mansion with interior design by William Morris and exterior by Ernest Newton – both leading Victorian designers.
