Dear Parent/Carer

RE: Summer School 16th-20th August 2021

We wish to invite your daughter to participate in our summer school, scheduled to take place from Monday 16th to Friday 20th August from 9.30am to 2.30pm.

The aim of the summer school is to allow students to feel confident and settled about joining us in September. The programme for the week will involve a range of activities to support, challenge and stretch all students whatever their abilities. We have planned a variety of creative and practical activities designed to familiarise students with the school, develop confidence and encourage team building skills. The school will provide students with a drink and a snack at break time, and a lunch each day.

As some of the programme is quite active, we recommend that your daughter wears clothing suitable for art, drama, games, cooking and playing in the woods.

As the government is funding the summer school this year, there will be no charge for places. Unfortunately we are not able to accommodate the whole year group at the summer school. Priority will be given to students in vulnerable groups. After these groups, places will be allocated on a first come first served basis.

As places are limited, we cannot offer places to students who are only able to attend for part of the week. If your daughter is offered a place at the summer school we ask that she attends every day.

If you would like to apply for a place at summer school, please complete this application form by **Monday 14th June**: <https://bullerswood.wufoo.com/forms/summer-school-application-form>

We will be in touch in July to let you know whether your daughter has been allocated a place. We will send further information about Induction Day and the Onesie Afternoon in June.

Yours sincerely

Mrs S Seall
Head of Year 7

Mrs D Carter
Director of Safeguarding
