

Sociology Summer Work 2021

Summer project:

Functionalism and Marxism are two of the most important sociological perspectives we look at when explaining society. Research Functionalism and Marxism. Write a 1500 word essay on Functionalist and Marxist theory. How do they each see society? Try to use all the concepts below. This should be handed in at your first lesson.

Key concepts

Key Concepts	Definition
Proletariat	
Bourgeoisie	
Means of production	
Capitalist ideology	
False consciousness	
Revolution	
Functional	
Organic analogy	
Value consensus	
Social institutions
