Dear Applicant

Thank you for expressing an interest in the post of Learning Support Assistant at Bullers Wood School. The information in this pack will, we hope, give you a good flavour of the school, as well as the application procedure and I hope having read it, you will decide to apply.

This post is available in September 2022 and offers an exciting opportunity to join an enthusiastic staff and very supportive department whose members are committed to making a real difference. The school was last fully inspected by Ofsted in May 2011 and we were awarded Outstanding. The report is available on our website. We are very proud of our achievements and prior to the pandemic had regularly been congratulated by the Minister of State for Schools on our achievements at GCSE level placing us in the top 100 non-selective state-funded schools in England. In addition, we were in the top 100 for students achieving the English Baccalaureate. We have also regularly been in the top 10% nationally (out of over 2,500 schools and colleges) for our A level performance assessed by ALPS.

We are looking for a passionate individual to help us to ensure that in every way Bullers Wood remains an outstanding school at our next Ofsted inspection, and that every one of our students achieves and exceeds both their targets and expectations.

The successful candidate will join Bullers Wood at an exciting time as September 2018 saw the opening of a new secondary free school, Bullers Wood School for Boys, who have now moved into their brand-new permanent building. Our two schools led to the establishment of the Bullers Wood Multi Academy Trust, giving opportunities for enhanced professional and career development for colleagues working within the Trust. The successful candidate may be required to work at either school.

When completing the application form, please follow the instructions below and demonstrate clearly how you meet the person specification and job description. If you have any questions or wish to visit before applying, please do not hesitate to contact our Human Resources Manager, Caroline Sharp csharp@bwsmat.org.

I very much look forward to receiving your application.

Yours sincerely

Simon Hardwick
Headteacher

An Introduction to Bullers Wood School for Girls

The School

Bullers Wood School for Girls is a highly successful comprehensive 11 – 19 girls' school with boys admitted to the sixth form. We are significantly oversubscribed, with admissions from over 50 primaries, and enjoy an excellent reputation in the community.

The number on roll is 1581, including 425 students in the mixed sixth form. We serve a very supportive community, and parents/carers have a choice of Bullers Wood School for Girls as a comprehensive school or selective education within Bromley and other LAs (Bexley, Kent). The proportion of students eligible for free school meals is below the national average. About a fifth of the total roll is from an ethnic minority background and some 20 languages are spoken. Very few students are learning English as an additional language. The behaviour of students is excellent, with all keen to learn and succeed.

In 2019, 77% of students achieved 5+ GCSE's at A* - C (9-4) including English and Maths, and 40% of A level results were graded A* - B. Our P8 score was well above average at 0.61.

The staff at Bullers Wood School for Girls are friendly, hardworking and conscientious. We actively promote continuing professional development for all staff, in line with the needs of the individual and those of the School. We offer a full and comprehensive induction and ongoing support programme for all new staff. ECTs are allocated a dedicated mentor to support them through their ECT years.

The School is a founder member of the highly regarded Bromley Schools Centred Initial Teacher Training Collegiate which enables our staff to share their expertise and good practice with others. We also train teachers through the Graduate Teacher Programme.

Twenty-two acres of woodland and landscaped grounds surround Bullers Wood House, a mansion with interior design by William Morris and exterior by Ernest Newton – both leading Victorian designers. This makes it unique, creating a high-quality environment and atmosphere which students enjoy and remember.

Our Ethos

Our purpose is to develop well qualified, confident and appreciative individuals who show tolerance and co-operation and are ready to play positive roles in the international community.
