

Friends of Bullers Wood

Registered Charity 1024413

Dear Parents and Carers,

Sponsorship Opportunities

Over recent years, the PTA has been delighted to assist the school by funding the following:

- a new outdoor classroom;
- much needed equipment to facilitate the remote learning that became essential as a result of the pandemic;
- the refurbishment of several toilet blocks and gym changing rooms;
- a suite of interactive whiteboards for the maths department;
- science, geography, home economics equipment, including text books; and
- banners for the school houses.

We are incredibly proud of what we have been able to achieve for the school so far, but there is still a long list of items that we haven't yet been able to fulfil, including large infrastructure purchases such as more toilet block refurbishments, new audio equipment and an upgrade for the computer suite.

So, we are looking for ways to increase the funds we raise by seeking sponsorship from local businesses and ***we really need your help.***

There are three ways you can assist us:

1. **Do you own or work for a company that could provide sponsorship or their services?** So far local businesses have bought a belt sander for the DT department, banners for school events and sponsored books.
2. **Do you know of or use a local business or shop that you could contact to ask if they would be interested in providing sponsorship, either for an event or by providing a prize or donation?**
3. **Would you be able to help Friends of Bullers Wood by contacting local businesses to ask if they would be able to support the school through sponsorship?**

There are many ways in which businesses can assist the school through sponsorship such as:

- Sponsor a specific item or project that needs undertaking, eg a new computer suite or piece of equipment;
- Sponsor an event, eg our annual Christmas Fayre or our popular Quiz and Bingo Nights;
- Donate prizes for raffles (usually held during our events, currently being held online);
- A regular or one-off donation to the school; and/or

- Volunteering skills to assist in any of the much-needed projects, eg toilet block refurbishment.

At our last Christmas Fayre, we raised significant amounts from business donations. Is your business or do you know a business that would be willing to help?

In return for the kind support, the Friends of Bullers Wood are able to provide advertising for the business to the whole school community which consists of over 800 local families.

If you are able to help please get in touch – our email is friendsofbullerswoodgirls@gmail.com or message us via our Facebook page:

<https://www.facebook.com/BWFriends/>

Finally, a big thank you to all of those parents and businesses who have supported us to date. Your contributions have made a significant difference.

Thank you for your support.
