You should have regard to the following factors which the Admission Committee will taken into account when considering whether or not to agree your request in principle:

- Information about the child's academic, social and emotional development;
- Where relevant, the child's medical history and the views of their medical professional;
- Whether the child has previously been educated outside their normal age group;
- Whether the child may naturally have fallen into a lower age group if it were not for being born prematurely.

Please note, this request is not an application for admission. A separate application for admission must be made in the usual way at the appropriate time and the usual admissions criteria will apply, ie Looked After Child, Sibling, Child of Staff and Proximity. We strongly encourage parents to make requests for admission outside normal age group well ahead of any deadlines for applying for admission, so that a decision in principle can be obtained and informed choices made.

This completed form and any supporting documents must be sent to:
