

The Curriculum at Bullers Wood

Purpose

- Offer the best education to our young people and equip them to develop skills so they can add value to society.
- Support our young people to be the best they can be, resilient, resourceful, independent and who are able to cope with the experiences and challenges in life.
- Offer a high-quality education with a wide variety of experiences to support our young people in developing their knowledge and understanding of the wider world.

Structure

- Our curriculum comprises all learning and other experiences that we plan for our students. It includes:
 - Academic Curriculum - providing equal opportunities to access a knowledge-rich and diverse curriculum.
 - Character Curriculum – students become resilient, resourceful and independent.
 - Enrichment - maximise opportunities for all our students to pursue their passions through sport, the arts, and building links with our community.

Academic Curriculum

- **Guiding Principles of our Academic Curriculum**
 - Giving our students access to the best that has been thought and said, and helping to engender an appreciation of human creativity and achievement.
 - Our curriculum is underpinned by knowledge, both declarative and procedural
 - Powerful knowledge is an end itself
 - We are all empowered by knowing
 - The knowledge in our curriculum is specified in detail
 - The knowledge in our curriculum is sequenced, mapped and coherent
 - The knowledge in our curriculum is taught to be remembered
 - Methods to achieve this may include interleaved, spaced and cumulative testing and repeated practice
