

Bullers Wood School for Girls

Meet the Governors

Peter Selby
Chair of Governors
18th April 2018 to 17th April 2026

Over the past fifty years, I have worked within the Interior Design and Furnishing business. Following my training and design experience with Heals of London, I joined the co-founder of Designers Guild overseeing major international projects. Establishing my own company in 1986, I combined the skills I had learnt to deal with all aspects of running a business including financial judgements, creative awareness, sales and marketing. Most importantly, I am a parent. My daughter attended Bullers Wood School for Girls from Year 7 through to the Sixth Form. I joined the Bullers Wood Governing Board as a parent in 2006 and have maintained my involvement becoming a Community Governor and elected as Chair in 2019.

Julia Robinson
Vice Chair of Governors
23rd April 2019 to 22nd April 2027

I have been a co-opted Governor since April 2019. I live in Nottingham and work for the Ambassador Theatre Group as a Business Director, meaning I have direct responsibility for nine large-scale regional theatres across the UK, as far afield as Edinburgh, Liverpool and Bristol. I spent the first part of my career working in theatre education, and I am passionate about promoting the place of the arts and creative education in schools. I also bring business skills, including finance and HR, to the governing board. As the mum of a daughter at primary school, and having been educated in a girls' secondary school myself, I also care deeply about the importance of girls' education as a distinct field in its own right.

Liz Anderson
Staff Governor/Link Governor for Health & Safety
7th June 2022 to 6th June 2026

I have been a staff governor since June 2022. I have one daughter at Bullers Wood. I teach English as an Additional Language to students who join the school from overseas, part way through their education journey and need English language support to access the curriculum. I also run interventions for our Year 7 students. In my spare time I enjoy walking, travel and reading.

Josephine Greywoode
Link Governor for Safeguarding
2nd March 2022 to 1st March 2026

I have been a community governor since March 2022 and I am passionate about languages and literacy. I am a book publisher and I enjoy the endless opportunities it brings for me to encounter new ideas and different perspectives. In my spare time I enjoy going to the theatre and visiting art exhibitions.

Victoria Griffiths

Link Governor for Equality, Diversity and Inclusion

21st February 2024 to 20th February 2028

I became a Governor at Bullers Wood in 2024. I live in Eltham and have been a senior policy advisor in a variety of government departments for 20 years. I have a young daughter and I am passionate about ensuring that girls and women are given the best opportunities to thrive in their lives and careers, whatever their background. In my spare time I love to spend time outdoors walking and seeing new places (both locally and internationally) and am dangerously close to being a "foodie".

Sharron Hiles

Parent Governor

6th December 2022 to 5th December 2026

I have a daughter currently in year 9. I am also an active member of the Friends of Bullers Wood. I am a government lawyer with the Department for Education currently advising on education policy specialising in Special Educational Needs. I was previously a parent governor at a primary school, where I held the role of link governor for SEND and also sat on the pay and admissions committees. In my spare time, in addition to spending quality time with my family, I like to read and take dance classes.
