Dear Parents/Carers

## Contacting the School

When contacting school, we ask that in most cases you use email rather than telephone, and follow the guidelines shown below.

### Reporting student absence:

All absences should be reported using the School Gateway App. The attendance facility enables you to notify us on the day of an absence. You are also able to view percentage attendance and can explain through the app any reasons for earlier absences that we believe to be unexplained. The process is explained in more detail through videos on the School Gateway help site: <https://schoolgateway.co.uk/help/>.

On the rare occasion you are unable to access the School Gateway App, please email the correct year group email to report your absence: Year 8 – [year8@bwsgirls.org](mailto:year8@bwsgirls.org) Our policy remains the same in that we ask you to notify school **by 8:30am** on each day of absence.

If you wish to request authorised absence for example to attend a funeral, please email your Head of Year with full details of the reasons for absence with as much notice as possible, and the Headteacher will make a decision on your request. Please be aware we can only authorise absence in exceptional circumstances.

### General pastoral or school related inquiries:

In the first instance please email your child's form tutor and they will aim to respond to you within two working days.
