Established in 1993, to train teachers for local schools, we have trained over 2000 teachers in that time with the majority of them now working in the local area. Our school based training enables you to develop and refine your teaching skills by working alongside outstanding teachers 4 days each week all year.

Our professional training is focused on making you **career ready**, whether this is your first career or you are a career changer. This isn't lectures, it is training designed to make you the best teacher you can be.

Our employment and retention rates are amongst the best in the country and Head Teachers actively seek out and recruit our trainees into permanent teaching posts.

Both placements are guaranteed in local schools within Bromley.

We offer work experience in local schools throughout the year.
